Subsequent to Office Order No. 58 of 2016, regarding redistribution of functional activities under Member Rolling Stock(MRS) and Member Traction (MTR), the issue of Controlling of Mechanical & Electrical staff in Diesel loco sheds, Diesel loco operation as well as staff involved in EMU/MEMU/TL/AC maintenance and operation was under consideration of Board and following has been decided:-

- a) The cadre control of Non-Gazetted staff of diesel maintenance and operations would come under MTR and the cadre control of Non-Gazetted staff of MEMU/EMU/TL/AC would be under MRS.
- b) The Administrative control of the officers manning diesel maintenance and operations would be with MTR and the administrative control of the officers of electrical coaching, including MEMU/EMU, TL/AC etc. would be under MRS.
- c) Cadre control of Electrical officers would continue to remain with MTR and of Mechanical officers with MRS.
- d) In non-electrified Divisions, Sr.DME/DME (Power/O&F) would continue to look after the power wing till a Sr.DEE/DEE (OP/TRO) is posted. Sr.DME/DME (Power/O&F) will report to PCEE. However, his cadre controlling officer would be MRS.
- e) In Divisions, where the post of Sr.DEE/DEE (OP/TRO) is available, work of Diesel operations shall be transferred to Sr.DEE/DEE (OP/TRO) and the post of Sr.DME/DME (Power/O&F) would be re-designated as Sr.DME/DME (Freight) and placed under PCME.
- f) In electrified Divisions where the post of Sr.DME/DME(Power) and Sr.DME/DME(Freight) are both available, the post of Sr.DME/DME(Power/O&F) can be withdrawn and used elsewhere as decided by PCME.

2. As regards the Non-Gazetted staff under Sr.DME/DME(Power/O&F):-

- a) In Electrified Divisions at present, while the staff from the running cadre would automatically be transferred under the administrative control of Sr.DEE/DEE(OP/TRO), the staff from non-running categories (Ministerial Staff) will be suitably distributed between Sr.DME/DME(Freight), (erstwhile Sr.DME/DME (Power/O&F)) and Sr.DEE/DEE(OP/TRO). This distribution shall be done by the respective DRM.

Contd/-

- b) The same strategy as at para 2(a) above shall be followed in non-electrified Divisions once Sr.DEE(OP/TRO) is posted.
3. The work of breakdown/accident relief shall henceforth be looked after by Sr.DME(C&W) in the Divisions.
4. In Division, where Sr.DEE/DEE(G) also looks after TL & AC, the paraphernalia of TL & AC be placed under an AEE/DEE, who would exclusively report to Sr.DME/C&W, Sr.DEE/DEE(G), will exclusively look after the work of electrical services only.
