4. Scale of pay of posts:—

(1) The functional pay band and grade pay or the functional pay scale, as applicable, of each functional pay scale specified in column (2) of the First Schedule shall be as specified against it in column (4) and (5) thereof.

5. Drawal of pay in revised pay structure:—

(1) Save as otherwise provided in these rules, a Government servant shall draw pay in the revised pay structure applicable to the post to which he is appointed:

Provided that a Government servant may elect to continue to draw pay in the existing scale until the date on which he earns his next or any subsequent increment in the existing scale or until he vacates his post or ceases to draw pay in that scale :

Provided further that in cases where a Government servant has been placed in a higher pay scale between 1-1-06 and the date of notification of these rules on account of promotion, upgradation of pay scale etc., the Government servant may elect to switch over to the revised pay structure from the date of such promotion, upgradation etc.

EXPLANATION 1.— The option to retain the existing scale under the provision of this rule shall be admissible only in respect of one existing scale.

EXPLANATION 2.— Aforesaid option shall not be admissible to any person appointed to a post on or after the 1st day of January, 2006, whether for the first time in Government service or by transfer or promotion from another post and he shall be allowed pay only in the revised pay structure.

EXPLANATION 3.— Where a Government servant exercises option under the proviso to this rule to retain the existing scale in respect of a post held by him in an officiating capacity on a regular basis for the purpose of regulation of pay in that scale under CSR or any other rule or order applicable to that post, his substantive pay shall be the substantive pay which he would have drawn had he retained the existing scale in respect of the permanent post on which he holds a lien or would have held a lien had his lien not been suspended or the pay of the officiating post which has acquired the character of substantive pay in accordance with any order for the time being in force, whichever is higher.

EXPLANATION 4.— As a general pre condition, switching over to the new pay and allowance structure by individual employees be subjected to the following general frame work of conditions as the most basic and central to the entire scheme ;

The revised scheme is a package in itself and proposes to replace the entire pre-revised structure and not merely replace the pay on scale to scale basis. An enabling option has been afforded to individual employees to continue in the existing pre-revised structure rather than compulsively switching over to the new structure of pay and allowances as promised by the said rules. In such a scenario, the moment an employee exercises / deemed to have exercised the option to switch to the revised scheme, he severs all relationships and perceived relativities with the principles / other conditionality specific to the pre-revised

scheme with effect from the date on which this revised structure takes effect in his case. Therefore, after once being brought to be governed by the structure put in place by the said rules, it would not be permissible for the individual employees or a group / class / category thereof to strike any type of parity / claim based on the pre-revised or pre-existing scenario. Once having brought to be governed by the said rules, the said rules in totality shall govern the conditions of services including the payment of pay and allowances without any reference to the pre-revised/ pre-existing structure. No claim based on the pre-revised / pre-existing scheme shall, therefore, be permissible as valid for agitating / supporting any claim of further amending the impact of said rules, save in terms of the provisions of the said rules.

6. Exercise of option:—

(1) The option under the proviso to rule 5 shall be exercised in writing in the form appended to the Second Schedule so as to reach the authority mentioned in sub-rule (2) within three months of the date of publication of these rules, or where an existing scale has been revised by any order made subsequent to that day within three months of the date of such order :

Provided that in the case of Government servant who is, on the date of such publication or, as the case may be, date of such order, on leave or on deputation or on foreign service, the said option shall be exercised in writing so as to reach the said authority within three months of the date of his taking charge of his post in Government or on the expiry of the sanctioned leave, whichever is earlier:

Provided further that where a Government servant is under suspension on the date of publication of these rules or, as the case may be, on the date of such order the option may be exercised within three months of the date of his return to his duty.

(2) The option shall be intimated by the Government servant to the Head of his office.

(3) If the intimation regarding option is not received within the time mentioned in sub-rule (1), the Government servant shall be deemed to have elected to be governed by the revised structure of pay on and from the 1st day of January, 2006.

(4) The option once exercised shall be final.

Note 1.— Persons whose services were terminated on or after the 1st January, 2006, and who could not exercise the option within the prescribed time limit, on account of death, discharge on the expiry of the sanctioned post, resignation, dismissal or removal on account of disciplinary proceeding, are entitled to the benefit of this rule.

Note 2.— Persons who have died on or after the 1st day of January, 2006, and could not exercise the option within the prescribed time limit are deemed to have opted for the revised pay structure on and from the 1st day of January, 2006, or such later date as is most beneficial to their dependents, if the revised pay structure is more favourable and in such cases, necessary action for payment of arrears should be taken by the Head of Office.

7. Fixation of initial pay in the revised pay structure :—

(1) The initial pay of a Government servant who elects or is deemed to have elected under sub-rule (3) of rule 6 to be governed by the revised pay structure on and from the 1st day of January, 2006, shall, unless in any case the Government by special order otherwise directs, be fixed separately in respect of his substantive pay in the permanent post on which he holds a lien or would have held a lien if it had not been suspended, and in respect of his pay in officiating post held by him, in the following manners namely:-

(A) In the case of all employees—

- (i) The pay in the pay band/ pay scale will be determined by multiplying the existing basic pay as on 1.1.2006 by a factor of 1.86 and rounding off the resultant figure to the next multiple of 10.
- (ii) If the minimum of the revised pay band/ pay scale is more than the amount arrived at as per (i) above the pay shall be fixed at the minimum of the revised pay band/ pay scale:

Provided further that:

Where, in the fixation of pay, the pay of Government servants drawing pay at two or more consecutive stages in an existing scale gets bunched, that is to say, gets fixed in the revised pay structure at the same stage in the pay band, then, for every two stages so bunched, benefit of one increment shall be given so as to avoid bunching of more than two stages in the revised running pay bands. For the purpose, the increment will be calculated on the pay in the pay band. Grade pay would not be taken into account for the purpose of granting increments to alleviate bunching.

In the case of pay scales in higher administrative grade (HAG) in the pay band PB-4, benefit of increments due to bunching shall be given taking into account all the stages in different pay scales in this grade.

If by stepping up of the pay as above, the pay of a Government servant gets fixed at a stage in the revised pay band/ pay scale (where applicable) which is higher than the stage in the revised pay band at which the pay of a Government servant who was drawing pay at the next higher stage or stages in the same existing scale is fixed, the pay of the latter shall also be stepped up only to the extent by which it falls short of that of the former.

The pay in the pay band will be determined in the above manner. In addition to the pay in the pay band, grade pay corresponding to the existing scale will be payable.

(B) In the case of employees who are in receipt of special pay/ allowance in addition to pay in the existing scale which has been recommended for replacement by a pay band and grade pay without any special pay/ allowance, pay shall be fixed in the revised pay structure in accordance with the provisions of (A) above.

(C) In the case of employees who are in receipt of special pay component with any other nomenclature in addition to pay in the existing scales, such as personal pay for promoting small family norms, etc., and in whose case the same has been replaced in the revised pay structure with corresponding allowance/ pay at the same rate or at a different rate, the pay in the revised structure

shall be fixed in accordance with the provisions of clause (A) above. In such cases the allowance at the new rate as recommended shall be drawn in addition to pay in the revised structure of pay from the date specified in the individual notifications related to these allowances.

(D) In the case of medical officers who are in receipt of Non-Practising Allowance (NPA), the pay in the revised pay structure shall be fixed in accordance with the provisions of clause (A) above except that, in such cases, the pre-revised dearness allowance appropriate to the non-practising allowance (excluding dearness pay component on NPA) admissible at index average 536 (1982=100) shall be added while fixing the pay in the revised pay band. Illustration 3 in Explanatory Memorandum to these rules may be referred to in this regard.

Note 1.— A Government servant who is on leave on the 1st day of January, 2006, and is entitled to leave salary shall become entitled to pay in the revised pay structure from 1.1.2006 or the date of option for the revised pay structure. Similarly, where a Government servant is on study leave on the first day of January, 2006, he will be entitled to the benefits under these rules from 1.1.2006 or the date of option.

Note 2.— Where a post has been upgraded as indicated in Part B of the First Schedule to these Rules, the fixation of pay in the applicable pay band will be done in the manner prescribed in accordance with clause (A) (i) and (ii) of rule 7 by multiplying the existing basic pay as on 1.1.2006 by a factor of 1.86 and rounding the resultant figure to the next multiple of 10. The Grade pay corresponding to the upgrade scale as indicated in column 6 of the Part-B of the First Schedule will be payable in addition. **Illustration 4** in this regard is in Explanatory Memorandum to these rules.

Note 3.— In case of Government servant under suspension, he shall continue to draw subsistence allowance based on existing scale of pay and his pay in the revised structure of pay will be subject to final order on the pending disciplinary proceedings or otherwise a final order, as the case may be.

Note 4.— Where the 'existing emoluments' exceed the revised emoluments in the case of any Government servant, the difference shall be allowed as personal pay to be absorbed in future increases in pay.

Note 5.— Where in the fixation of pay under sub-rule (1), the pay of a Government servant, who, in the existing scale was drawing immediately before the 1st day of January, 2006, more pay than another Government servant junior to him in the same cadre, gets fixed in the revised pay band at a stage lower than that of such junior, his pay shall be stepped upto the same stage in the revised pay band as that of the junior.

Note 6.— Where a Government servant is in receipt of personal pay on the 1st day of January, 2006, which, together with his existing emoluments exceeds the revised emoluments, then the difference representing such excess shall be allowed to such Government servant as personal pay to be absorbed in future increases in pay.

Note 7.— In case where a senior Government servant promoted to a higher post before the 1st day of January, 2006, draws less pay in the revised pay structure than his junior who is promoted to the higher post on or after the 1st day of January, 2006, the pay in the pay band of the senior Government servant should be stepped up to an amount equal

to the pay in the pay band as fixed for his junior in that higher post. The stepping up should be done with effect from the date of promotion of the junior Government servant subject to the fulfillment of the following conditions, namely:—

- (a) both the junior and the senior Government servants should belong to the same cadre and the posts in which they have been promoted should be identical in the same cadre;
- (b) the pre-revised scale of pay and the revised grade pay of the lower and higher posts in which they are entitled to draw pay should be same;
- (c) the senior Government servants at the time of his promotion should have been drawing equal or more pay than the junior;
- (d) the anomaly should be directly as a result of the application of the provisions of CSR or any other rule or order regulating pay fixation on such promotion in the revised pay structure. If even in the lower post, the junior officer was drawing more pay in the pre-revised scale than the senior by virtue of any advance increments granted to him, provision of this Note need not be invoked to step up the pay of the senior officer.

(2) Subject to the provisions of rule 5, if the pay as fixed in the officiating post under sub-rule (1) is lower than the pay fixed in the substantive post, the former shall be fixed at the same stage as in the substantive pay.

8. Fixation of pay in the revised pay structure of employees appointed as fresh recruits on or after 1.1.2006 :—

Section II of Part A of the First Schedule of these rules indicated the entry level pay in the pay band at which the pay of direct recruits to a particular post carrying a specific grade pay will be fixed on or after 1.1.2006.

This will also be applicable in the case of those recruited between 1.1.2006 and the date of issue of this Notification. In such cases, where the emoluments in the pre-revised pay scale(s) [i.e., basic pay in the pre-revised pay scale(s) plus dearness pay plus dearness allowance applicable on the date of joining] exceeds the sum of the pay fixed in the revised pay structure and the applicable dearness allowance thereon, the difference shall be allowed as personal pay to be absorbed in future increments in pay.

9. Rate of increment in the revised pay structure :—

The rate of increment in the revised pay structure will be 3% of the sum of the pay band and grade pay applicable, which will be rounded off to the next multiple of 10. The amount of increment will be added to the existing pay in the pay band. Illustration 5 in this regard is in the Explanatory Memorandum of these rules.

10. Date of next increment in the revised pay structure:—

There will be a uniform date of annual increment, viz. 1st July of every year. Employees completing 6 months and above in the revised pay structure as on 1st of July will be eligible to be granted the increment. The first increment after fixation of pay on 1.1.2006

in the revised pay structure will be granted on 1.7.2006 for those employees also for whom the date of next increment was between 1st July, 2006 to 1st January, 2007:

Provided that in the case of persons who had been drawing maximum of the existing scale for more than a year as on the 1st day of January, 2006, the next increment in the revised pay structure shall be allowed on the 1st day of January, 2006. Thereafter, the provision of rule 10 would apply:

Provided further that in cases where an employee reaches the maximum of his pay band, shall be placed in the next higher pay band after one year of reaching such a maximum. At the time of placement in the higher pay band, benefit of one increment will be provided. Thereafter, he will continue to move in the higher pay band till his pay in the pay band reaches the maximum of PB-4, after which no further increments will be granted.

Note1.— In cases where two existing scales, one being a promotional scale for the other, are merged, and the junior Government servant, now drawing his pay at equal or lower scale of pay, happens to draw more pay in the pay band in the revised pay structure than the pay of the senior Government servant in the existing higher scale, the pay in the pay band of the senior Government servant shall be stepped up to that of his junior from the same date and he shall draw next increment in accordance with rule 10.

11. Fixation of pay in the revised pay structure subsequent to the 1st day of January, 2006 :—

Where a Government servant continues to draw his pay in the existing scale and is brought over to the revised pay structure from a date later than the 1st day of January, 2006, his pay from the later date in the revised pay structure shall be fixed in the following manner:-

Pay in the pay band will be fixed by adding the basic pay applicable on the later date, the dearness pay applicable on that date and the pre-revised dearness allowance based on rates applicable as on 1.1.2006. This figure will be round off to the next multiple of 10 and will then become the pay in the applicable pay band. In addition to this, the grade pay corresponding to the pre-revised pay scale will be applicable. Where the government servant is in receipt of special pay or non-practising allowance, the methodology followed will be as prescribed in rule 7 (1), (B), (C), (D) as applicable, except that the basic pay and dearness pay to be taken into account will be the basic pay and dearness pay applicable as on that date but dearness allowance will be calculated as per rates applicable on 1.1.2006.

12. Fixation of pay on reappointment after the 1st day of January, 2006 to a post held prior to that date:—

A Government servant who has officiated in a post prior to the 1st day of January, 2006, but was not holding that post on that date and who on subsequent appointment to that post draws pay in the revised pay structure shall be allowed the benefit of the proviso to CSR to the extent it would have been admissible had he been holding that post on the 1st day of January, 2006, and had elected the revised pay structure on and from that date.

13. Fixation of pay on promotion on or after 1.1.2006.

(1) In the case of promotion from one grade pay to another in the revised pay structure, the fixation will be done as follows:-

One increment equal to 3% of the pay in the pay band and the existing grade pay will be computed and rounded off to the next multiple of 10. This will be added to the existing pay in the pay band. The grade pay corresponding to the promotion post will thereafter be granted in addition to this pay in the pay band. In cases where promotion involves change in the pay in the pay band after adding the increment is less than the minimum of the higher pay band to which promotion is taking place, pay in the pay band will be stepped to such minimum.

(2) On promotion from one grade pay to another, a Government servant has an option under CSR to get his pay fixed in the higher post either from the date of his promotion, or from date of his next increment, viz. 1st July of the years. The pay will be fixed in the following manner in the revised pay structure:-`

- (i) In case the Government servant opts to get his pay fixed from his date of next increment, then, on the date of promotion, pay in the pay band shall continue unchanged, but the grade pay of the higher post will be granted. Further re-fixation will be done on the date of his next increment i.e. 1st July. On that day, he will be granted two increments; one annual increment and the second on account of promotion. While computing these two increments, basic pay prior to the date of promotion shall be taken into account. To illustrate, if the basic pay prior to the date of promotion was Rs.100, first increment would be computed on Rs.100 and the second on Rs.103.
- (ii) In case the Government servant opts to get his pay fixed in the higher grade from the date of his promotion, he shall get his first increment in the higher grade on the next 1st July if he was promoted between 2nd July and 1st January. However, if he was promoted between 2nd January and 30th June of a particular year, he shall get his increment on 1st July of next year.

Note.— A Government employee can exercise his option on promotion for pay fixation under CSR on plain paper in simple application form.

14. Mode of payment of arrears of pay:—

The arrears shall be paid in cash in two installments. The first installment should be restricted to 40% of the total arrears. The remaining 60% of arrears should be paid during the next financial year.

Explanation.— For the purposes of this rule:

- (a) “arrears of pay” in relation to a Government servant means the difference between:
 - (i) the aggregate of the pay and allowances to which he is entitled on account of the revision of his pay and allowances under these rules, for the relevant period. Revised allowances (except for dearness allowance and non-practising allowance) will be payable only with effect from 01.01.2009.

- (ii) the aggregate of the pay and allowance to which he would have been entitled (whether such pay and allowances had been received or not) for that period had his pay and allowances not been so revised;
- (b) “relevant period” means the period commencing on the 1st day of January, 2006, and ending with the 31.12.2008.

15. Overriding effect of rules :—

The provisions of CSR or PFR or any other rules made in this regard shall not, save as otherwise provided in these rules, apply to cases where pay is regulated under these rules to the extent they are inconsistent with these rules.

16. Power of relax :—

Where the Government is satisfied that the operation of all or any of the provisions of these rules causes undue hardship in any particular case, it may, by order, dispense with or relax the requirements of that rule to such extent and subject to such conditions as it may consider necessary for dealing with the case in a just and equitable manner.

Note.— The relaxation so granted under this rule shall be deemed to have been given depending upon the merit of such class and categories of Government servant and therefore, will not amount to any discrimination with other class and categories of Government servant.

17. Power to make addition or deletion etc. :—

Where the Government is satisfied that there is a necessity to make additions or delete any class or categories of posts or change the designations and structure of pay either permanently or temporarily in the schedules of these rules, the Government will be competent to add or delete or change such conditions. The provisions of these rules will apply on such additions or deletions or changes as the Government may direct by specific orders or in the absence of that all the provisions of these rules shall apply as if the changes were made.

18. Interpretation :—

If any question arises relating to the interpretation of any of the provisions of these rules, it shall be referred to the Government for decision.

19. Residuary provisions :—

In the event of any general or special circumstance which is not covered under these rules or about which certain inconsistency comes to the notice, the matter shall be referred to the Government and Government will prescribe the conditions to be followed under such circumstances. Such conditions as prescribed by the Government under this rule shall be deemed to be part of these rules. Further, if the Government is satisfied that there is a requirement to prescribe certain additional conditions under these rules, the Government shall prescribe such conditions and such additional conditions as prescribed by the Government under this rule shall be deemed to be the part of these rules.

**MEMORANDUM EXPLANATORY TO THE HARYANA CIVIL SERVICES
(REVISED PAY) RULES, 2008**

Rule 1.— This rule is self explanatory.

Rule 2.— This rule lays down the categories of employees to whom the rules apply. Except for the categories excluded under sub rule (2) the rules are applicable to all Government servants appointed under the rule making power of the Government of Haryana serving in connection with the affairs of Government of Haryana and whose pay is debitable to the consolidated fund of the State of Haryana. They do not apply to any other categories of employees.

Rule 3. — This rule is self explanatory.

Further, wherever the terms defined under this rule are mentioned in these rules or in any other rules/ instructions/ orders/ notifications etc. issued in connection with these rules, definitions as prescribed under this rule is to be taken as the meaning for and in these rules or, as the case may be, in any other rules/ instructions/ orders/ notifications etc.

Rule 4. — Scale of pay is the revised functional pay structure prescribed for the post as a consequence of these rules. The provision in sub-rule 1(1) is specific and that in sub-rule (2) is residual. For the purpose of sub rule (1), the pay scale in column 4 is the functional pay prescribed for the corresponding posts in column 2 as a consequence of these rules and under these rules. For the purposes of sub rule (2), however, the posts for which the pay scale in column 3 has been prescribed as functional pay scale as a consequence of and under these rules are to be derived out of the existing scale, as mentioned in column 2. Sub rule (2) is to regulate the pay scales only if sub rule (1) does not specifically covers the posts. The fundamental sense is that these rules prescribe the revised functional pay structure for the posts and do not prescribe replacement scales in general. The existing scales as mentioned in this rule and the Schedules have been mentioned only with the objective of deriving as to what shall be the revised functional pay structure and for no other purpose.

The revised pay structure as prescribed by these rules is based on the principle of adequacy and propriety, that is that the Government servant should be paid adequately benefit upon his status and qualifications and qualitative and quantitative work output according to the capacity of the Government to pay at the same time horizontal and vertical equivalence and differentiations justifiable required to be maintained shall also be maintained.

Rule 5.— The intention is that all Government servants should be brought over to the revised scales except those who elect to draw pay in the existing scales. Those who exercise the option to continue in the existing scales of pay will continue to draw the dearness allowance and interim

relief at the rate in force on the 1st of January, 2006 and such dearness allowance will count towards the emoluments for pension etc. to the extent it is so counted on the said date. If a Government servant is holding a permanent post in a substantive capacity and officiating on a higher post, or whenever officiated in one or more posts on his being on deputation etc., he has the option to retain the existing scale only in respect of one scale. Such a Government servant may retain the existing scale applicable to the permanent post or any one of the officiating posts. In respect of remaining posts he will necessarily have to be brought over to the revised structure.

Rule 6.— This rule prescribes the manner in which option has to be exercised and also the authority who should be apprised of such option. The option has to be exercised on the appropriate proforma appended to the rule. It should further be noted that it is not sufficient for a Government servant to exercise the option within the specified time limit, but also to ensure that it reaches the prescribed authority within the time limit officially and in writing on the prescribed proforma. In the case of persons who are on leave or on deputation or on foreign service at the time these rules are notified, the period within which the option has to be exercised is three months from the date they take over charge of the post. It is further made clear that unauthorized absence shall not entitle the Government servant to get the relief as granted under these rules for the Government servants who are on leave. The period of 3 months shall be counted from the date on which the sanctioned leave expires. No other exigency shall enable such Government servants the above said relief.

The persons, who have retired between 1st January, 2006 and the date of issue of these rules are also eligible to exercise the option.

Rule 7 (1).— (1) This rule deals with the actual fixation of pay in the revised functional pay scales on 1st January, 2006. For the purposes of these rules the procedure under this rule and no other procedure under a different rule shall be followed.
