No. IRTSA/ Memo/Classification/ 03-10

Dated: 21.02.2010

**The Chairman, Railway Board,
Rail Bhawan, New Delhi.**

Dear Sir,

Sub: Appeal for Classification of posts in Group-B gazetted - of Senior Section Engineers/ Section Engineers, CMT Staff & Stores Engineers in the Grade pay of Rs.4600 (in pre-revised scale of Rs.6500-10500 & Rs.7450-11500)

Ref: RBE No.5/2010, No.PC/VI/2009//RSRP/4, dated 08/01/2010.

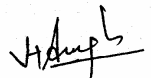

We draw the kind attention of the Railway Board to the long pending demand of the cadre of Technical Supervisors / Engineers of all technical departments, for classification of their posts in Group B (Gazetted) - which are presently in the Grade pay of Rs.4600 (pre-revised scale of Rs. 7450-11500 and in Rs. 6500-10500). We extremely regret that the Railway Board has once again ignored the rightful aspirations of this cadre vide their orders cited above – causing much frustration and perpetrating the injustice to them. In this regard we very humbly draw the kind attention of the railway Board towards the following facts:

1. Vast majority of Technical Supervisors / Engineers of all technical departments remain and retire in the supervisory cadre in spite of vast experience and expertise for over 25 to 30 years including the JEs (Junior Engineers) and SSE (Senior Section Engineers) even though they can be valuable assets to the administration by holding gazetted posts.
2. Almost all employees in Railways get nearly 5 to 6 promotions in service, only this category joining as supervisor and retire as supervisor, in 95% of cases they will be finding only one regular promotion in spite of 3 years Diploma in Engineering as qualification & 1&1/2 years of Training for Junior Engineers and BE / Graduate in Engineering as qualification and 1 year training for SE/SSE (Section Engineers / Senior Section Engineers). Considering their qualifications, training and important role as first level managers and multiple activities assigned to their job, it is sad that in their service most of them do not reach at least the base level of gazetted cadre.
3. a) Railways have the lowest ratio of Gazetted posts in Group A & B vis-à-vis Group C & D in comparison to all other Departments of Central Government. *(Please see Annexure-I).*
b) This is not only the root cause of all the stagnation & frustration amongst the Technical Supervisors on the Railways but it is also an impediment in effective execution administrative policies & plans due to lack of executive powers of the Technical Supervisors who are the 'spot managers. This is bound to have an adverse impact on the efficiency and safety on the Railways, as has been mentioned variedly by all the Railway Accident Inquiry Committees as well as by the Railway Reforms Committee.
4. CAT New Delhi in the O.A. NO: 835 OF 1989, T.A. NO: 199, Indian Railways Technical Supervisors' Association (Petitioner) Versus Union of India (Respondent) directed that the respondents to reconsider the matter of placing the members of the Association in the Grade of Rs.2000-3200 and Rs.2375-3500 in Group-B as has been done in the case of other Government servants like Accounts Officers (Rs.2375-3500) on Railway and Stenographers Grade Rs.2000-3200 in the Central Secretariat in the same scales within a period of four months from the date of receipt of a copy of the judgement. *Extracts from the Judgement of CAT/New Delhi – Annexure-II*
5. But unfortunately, the Railways did not accept either the recommendations of the Railway Accident Inquiry Committees or the Railway Reforms Committee; nor did it accept the spirit of the said

judgement of the CAT. IRTSA represented this issue several times over the years and persuaded the Railway Board but the Railway Board did not concede.

6. At one stage in 2002, the Railway Board agreed to concede the demand, at least partially, by upgrading all the posts in scale Rs.7450 – 11500 to Group-B gazetted but the Board wished for reduction of streams, so that the selection procedure becomes easier. But the matter did not proceed further from there onwards.
7. Recommendations of the Pay Commissions: Third, Fourth and Fifth Pay commissions had recommended for up grading the posts in the scale the maximum of which was Rs 9000 or more (i.e. at least all the posts in pre-revised scales of Rs.6500 – 10500 and Rs.7450- 11500) to Group B. Details in Annexure - III
8. Subsequently the Government of India accepted the recommendations of the above Pay Commissions and directed all Departments of the Government to upgrade the posts to Group B Gazetted. DOP's order in Annexure – IV
9. All Departments of Government of India including Ministry of Defence (except Railways) have implemented the DOP's order and upgraded all the posts in the pre-revised scale Rs.7450 -11500 and Rs.6500-10500 as Group-B gazetted posts.
10. Technical Supervisors of Civil Engineering, Mechanical, Electrical and Signaling Departments are responsible for Train Operations, movement of goods and acquisition, maintenance and continuous improvement of rolling stock and locomotive fixed assets. Their duties and responsibilities include safe running of trains, maintain highest order of safety, failure-proof maintenance of track, Bridges, locomotives, coaches, wagons, signaling system, and overhead equipment etc.
11. Indian Railways has been continuously upgrading its technology in train operations and maintenance, not only to provide services at the minimum cost but also to compete with other modes of travel e.g. road transport, low budget airlines etc. For this purpose continuous induction of new technology is introduced and continuous improvements are being made in the existing technology.
12. Technical Supervisors being the first level of management and control in the field have to update their knowledge and skills and acquire new ones to adopt the new technology and train/guide the staff working under their control for safe and efficient induction of new technologies in the Railway system.
13. The decision of not granting Group-B Gazetted status to the Senior Supervisors in Railways is the main cause of panic, dejection and frustration of the entire Technical Supervisor Cadre whose promotion channels in the present pattern is very bleak.
14. With virtually no career planning and hardly any avenues of promotion even till retirement, no new recruits with merit will aspire to join the railways as Technical Supervisor. This will become a major handicap for railways in the future thereby adversely affecting safety and efficiency on the Railways.
15. We therefore very humbly request the Railway Board for classification in Group B (Gazetted) of all the posts of Technical Supervisors / Engineers of all technical departments, - which are presently in the Grade pay of Rs.4600 (*pre-revised scale of Rs. 7450-11500 and in Rs. 6500-10500*) and render justice in the larger interest of both administration and the staff concerned

Yours faithfully,

Harchandan Singh,
General Secretary, IRTSA

EXTRACTS FROM THE
JUDGEMENT OF CAT/NEW DELHI
IN THE CENTRAL ADMINISTRATIVE TRIBUNAL
NEW DELHI

O.A. NO: 835 OF 1989

T.A. NO: 199

Indian Railways Technical Supervisors' Association - Petitioner

Versus

Union of India – Respondent

Para 11 & 12.....

11 We are clearly of the view that there exists no justification for the exception made as there appears to be no rationale behind it nor there appears any nexus with the objects sought to be achieved. It is significant that the 4th Pay Commission report has been accepted by the Govt. of India as per Department of Personnel & Training Notification dated 30th June, 1987 (even No. dated 7th July 1987); Ministry of Personnel, Public Grievances & Pension by O.M. dated 1.3.88 has placed stenographers in non-secretariat organisations by which they have been classified as Group B Gazetted. In Railway Board's letter dated 21.5.76 it has been accepted that "a post carrying a Pay Scale that of the applicants will be classified as Group 'B' subject to exceptions as may be made by the Railway Ministry".

12 In view of the above, we direct the respondents to consider the question of classification so as to do away with the anomaly of the type indicated above. Consequently it is directed that the respondents reconsider the matter of placing the members of the Association in the Grade of Rs.2000-3200 and Rs.2375-3500 in Group-B as has been done in the case of other Government servants like Accounts Officers (Rs.2375-3500) on Railway and Stenographers Grade Rs.2000-3200 in the Central Secretariat in the same scales within a period of four months from the date of receipt of a copy of this judgement. With these observations the O.A. stands disposed of finally.

There shall be no order as to costs.
