**Er. Sia Ram Bajpai
Patron, IRTSA**

I am extremely delighted to note that our IRTSA is organizing Annual General Meeting in Gorakh Pur on 10-11 December, 2010 and also publishing a souvenir to commemorate this historic event.

The Railway Engineers got very raw deal in 6th CPC comparing to other categories and this necessitates greater unity, cohesiveness of thought and action and an unflinching faith in our leadership. We must remember that in heat of deliberations and confabulation, the action is not frozen.

I wish the slated AGM a great success and a stronger promise to the Rail Engineers across the country.

Sia Ram Bajpai
