11 Revision of Pension of pre 7th CPC retirees

The Commission recommends the following pension formulation for civil employees including CAPF personnel who have retired before 01.01.2016

(i) All the Civilian personnel including CAPF who retired prior to 01.01.2016 (expected date of implementation of the Seventh CPC recommendations) shall first be fixed in the Pay Matrix being recommended by this Commission, on the basis of the Pay Band and Grade Pay at which they retired, at the minimum of the corresponding level in the matrix. This amount shall be raised, to arrive at the notional pay of the retiree, by adding the number of increments he / she had earned in that level while in service, at the rate of three percent. Fifty percent of the total amount so arrived at shall be the revised pension.

(ii) The second calculation to be carried out is as follows. The pension, as had been fixed at the time of implementation of the VI CPC recommendations, shall be multiplied by 2.57 to arrive at an alternate value for the revised pension.

(iii) Pensioners be given the option of choosing whichever formulation is beneficial to them.

It is recognized that the fixation of pension as per formulation in (i) above may take a little time since the records of each pensioner will have to be checked to ascertain the number of increments earned in the retiring level. It is therefore recommended that in the first instance the revised pension may be calculated as at (ii) above and the same may, be paid as an interim measure. In the event calculation as per (i) above yields a higher amount the difference may be paid subsequently. (Para 10.1.67 and Para 10.1.68 of the Report).

Decision of Government Both the options recommended by the 7th Central Pay Commission as regards pension revision be accepted subject to feasibility of the implementation. Revision of pension using the second option based on fitment factor of 2.57 be implemented immediately. The first option may be made feasible after examination by the Committee comprising Secretary (Pension) as Chairman and Member (Staff), Railway Board, Member (Staff), Department of Posts, Additional Secretary & Financial Adviser, Ministry of Home Affairs and Controller General of Accounts as Members

RSCWS AGAIN URGES DRM AMBALA TO RESOLVE THE PROBLEMS OF PENSIONERS AT CHANDIGARH

Copy of letter no. RSCWS/ HO / DRM/2016-6 Dated: 16-06-2016 to DRM N. Railway Ambala

Subject: Problems of Pensioners Reg. Issue of Revised PPOs, Smart Cards & Medical Problems

We draw your kind attention to the following problems of the Pensioners settled in and around Chandigarh, Panchkula & Mohali, and earnestly request you to redress the same:

1. ISSUE OF REVISED PPOS FOR REVISION OF PENSION OF PRE-2006 PENSIONERS:

Many of the Pre-2006 Pensioners of Ambala Division have not yet been issued Revised PPOs even after the lapse of considerable period of time since the issue of Railway Board's OMs dated 1-9-08, 11-2-13, 31-7-15 & 6-4-2016 cited above.

It is requested that the Revised PPOs be issued early to all Pre-2006 Pensioners – to avoid further hardship and loss to the old Pensioners especially before the onset of heavy rush of work due to implementation of 7th CPC Report.

2. ISSUE OF SMART CARDS TO RELHS OPTTEES:

SMART CARDS have not yet been provided to the Pensioners for Cashless Service for RELHS Card Holder to take treatment in Recognized Private Hospitals in emergency, even though nearly four years have passed since the issue of orders for the same by the Railway Board vide letter No. 2007/H/28/1/RELHS/Smart Card dated 18.07.2012. This is causing much hardship to the Pensioners & their dependents and as such, needs to be expedited.

3. LACK OF MEDICAL SERVICES BY RAILWAYS FOR PENSIONERS AT CHANDIGARH:

There is absolute lack of Medical facilities for over 7000 Railway Beneficiaries - including nearly 1000 Pensioners and their dependents at Chandigarh, Panchkula & Mohali.

We have been earnestly requesting the Railway administration for ameliorating the suffering and hardship being faced by the old Pensioners. But it is regretted that the following problems are still left unresolved in spite of numerous representation to the Railway administration at various levels. This is causing much hardship to the patients - especially the old age Pensioners and their spouses – in spite of having served the Railways during long years of service and in spite of having paid for joining the RELHS-97 from their hard earned money.

Particular attention is invited to the following problems due to which all Railway Beneficiaries are seriously suffering – especially in their old age:

i) Non filling up of either of the 2 Posts of Doctor at Chandigarh Health Unit.

ii) Most Medicines are either NOT AVAILABLE or OUT OF STOCK most of the times.

iii) Medicines prescribed by Specialists are not available and Procurement through CMS Ambala gets delayed.

iv) 1 post of Pharmacist, 1 Dresser, 2 Attendants (One Male & one Female) are lying VACANT.

v) Fan, Water Cooler with RO for the Patients has not been provided.

vi) 3 Rooms of Health Unit have been occupied by Dy. CE(Const)/CDG Office and others - causing hindrance in the working of Health Unit and Dressing Room, Store Room or Toilet facilities have not been provided for Patients.

vii) Non implementations of Railway Board's Orders regarding the following:

a) Issue of Smart Cards to RELHS optees for Cashless treatment in empanelled Hospitals.

b) Empanelment of Specialised Private Hospitals – including those empanelled under CGHS.

viii) Non empanelment of any Specialised Hospitals in or around Chandigarh – creating major hardship to serious cases requiring specialized treatment.

ix) No Diagnostic facilities are in NR Health Unit nor out-source Agency been Empanelled

It is, requested to provide the requisite facilities, so that the Health Unit at Chandigarh functions as per established norms and the Pensioners and other Railway Beneficiaries may get proper Medical Treatment.
