Sub: Timely Implementation of 2nd & 3rd MACP of Supervisors Staff working in different departments of RCF.

Ref: SPO-II's Letter No 2016-E/RCF/SUP/MECH/Unions, Dated: 05.06.18

Sir,

Your kind attention is brought towards timely implementation of 2nd & 3rd MACP of Supervisors working in different departments of RCF. As per letter under reference, select list of eligible supervisor's staff has been released by P-Branch. As per list a number of Supervisory staff has already crossed date of implementation of their respective 2nd or 3rd MACP from March, 2018, but despite lapse of two months period their due 2nd or 3rd MACP is yet to be implemented.

It has come to notice of IRTSA that still nomination of select committee is in progress and even APARs have not been called for scrutinizing. This is matter of great importance for career of individual Supervisor and occasion has come after extended and prolong waiting period of 20+2 or 30+2 years. As such any further delay will further add to agony of helpless Supervisory Staff. Delay in implementation is directly leading to financial loss including Transportation Allowance etc..

Therefore, kindly take necessary steps for early implementation of the already delayed case of MACP as explained above. It may please also be ensured that Supervisors whom MACP has already due since March to June, 2018 are fully paid their due arrears of pay, Supdt Allowance and Transport allowance etc in the current month's salary bills itself.

Hoping for favorable action.
