**Subject: - Regarding memorandum on Pay Level Revision of  
Technical Supervisors working in Indian Railways:**

**Respected Madam,**

It gives me immense pleasure to forward herewith the memorandum of Mr. M. Shanmugam, Central President, IRTSA to consider the issue of Technical Supervisors separately, since the justification for higher Pay Level is different from other categories and due to exclusive 7<sup>th</sup> CPC recommendations. Since more than 50% of SSE are already in Pay Level 8 & 9 through financial upgradation under MACPS, financial implication for Pay Level upgradation of Technical Supervisors will be nil or negligible. (Request Letter Enclosed)

I strongly recommended this case. I hope and trust you will surely oblige me in this matter.

With regards,

Your's Sincerely,

*Pradeep Kr. Singh.*

*Dear Shri Ashwini Vaishnav ji*

I am forwarding herewith a representation received from Shri M. Shanmugam, Central President, Indian Railways Technical Supervisors Associations regarding pay level revision of technical supervisors. They have stated that the reasons and justifications for pay level revision of technical supervisors are different from the issue of pay scale revision of others in Group C apex grade, hence a proposal exclusively for technical supervisors should be made for approval of Ministry of Finance.

Therefore, I request you to look into the matter and consider the demands of technical supervisors favourably.

*With regards*

*Santokh Singh*
